AUTOMOTIVE CREDIT CORP. MOVES ITS HEADQUARTERS TO EVERGREEN ATRIUM

Southfield, Michigan – Automotive Credit Corp. (ACC), one of the only consumer finance firms experiencing growth in what has been a challenging economic environment, has chosen to lease the entire 3rd Floor of The Evergreen Atrium Office Building at 26261 Evergreen in Southfield, Michigan. As a subprime credit provider for used car dealers, ACC has doubled its portfolio and increased its revenue.

ACC's decision to lease the 35,000 square foot space from Etkin Equities and select Farmington Hills-based interior design firm Davis & Davis Interior Design Co. will be a valuable contribution to the local economy. ACC President and CEO Jim Blasius commented that his firm's decision to remain in Michigan was due, largely, to loyalty. Most of our portfolio is here [in Michigan] and is performing well, and this is where we built our business."

The addition of ACC to the 150,356 square foot Evergreen Atrium significantly enhances the business community that populates this landmark office development. ACC employees and guests will appreciate the Atrium's 5-story lobby with fountain, marble and granite accents and cherry wood trim, as well as lush interior and exterior landscaping. Additional amenities include the Evergreen Atrium Marketplace right next door, featuring Chipotle Mexican Grill, Potbelly Sandwich Works and Beaner's Gourmet Coffee.

For additional details on Evergreen Atrium, contact Etkin Equities at 248-358-0800 or visit Etkin's website at www.etkinllc.com.
