ETKIN AWARDED PROPERTY MANAGEMENT ASSIGNMENT FOR A TRIO OF MEDICAL OFFICE BUILDINGS IN BINGHAM FARMS, MI

Southfield, MI (February 23, 2015) – Bingham Farms, MI based RBK Investments, LLC named Etkin, a full-service real estate organization, to provide comprehensive property management for three (3) of their medical office buildings in Bingham Farms, MI. The buildings are prominently located at 31500, 31370 and 31350 Telegraph Road, north of 13 Mile Road.

The buildings offer a combined total of 73,000 square feet and feature a range of internal medicine services, including OB/GYN, pediatrics, eye center and an oncology group. The facilities provide convenient access to both Providence and Beaumont hospitals.

Etkin's Business Development Manager Matt Fenster, CCIM, MCR, said that the Bingham Farms medical buildings are an excellent complement to the company's growing property management portfolio. "The match between the owner's focus on quality and our hands-on approach to property management presents a unique opportunity for tenants to enjoy the benefits of an outstanding location, building identity and a level of convenience that is exceptional. We are excited about the opportunity to expand our management business with partners like RBK Investments."

Etkin has played a prominent role in southeast Michigan real estate development and acquisition for 30 years. The privately owned company was formed in 1982 and is led by Principal Douglas Etkin and President Curtis Burstein. Etkin has been involved in over 9.5 million square feet of office, industrial, retail, hotel and mixed-use developments. The company also offers fee-based management and development services to a select number of third-party clients including healthcare properties, banks, credit unions, savings and loans and other financial institutions.
